In Machine, the action takes place in a future Tokyo, with the story centred around the people who will live and die in the city as it slowly begins to collapse. Lose control of a futuristic Tokyo in a thrilling gun battle experience against intelligent and aggressive robots. Fanatical puts you in the shoes of one of the deadliest assassins in the world, with an array of powerful weapons and deadly gadgets at your command. Set in a dark future that is changing with each breath, Fanatical focuses on player immersion as you assume the role of an assassin for hire in a violent and corrupt world. You'll need to be bold, decisive and fully prepared for anything with a skill set of weapons and gadgets at your fingertips. Key Features: THE ROLE OF REVENGE - Fanatical is all about creating a form of cathartic revenge in the dark world of the future as a hired killer. You'll need to go deep into the game to uncover your own motives and look for your own reasons. DEADLY DIFFERENT FORMS OF A PROXY - Take on enemies in the game by using other assassins as your new proxy. You'll need to utilize their skill set and ultimately choose what you want to do with the life you're given. VETERAN CATALOGUE - In each level a new catalogue of weapons, gadgets and perks will be available to you. SUPERARMED WITH A STICK OF MUSHROOMS - Play with 4 weapons at once as part of a deadly set. This is the sequel to the popular Killing Floor, where you played the role of a crazy psychopath - the only thing standing between humanity and the rule of the freaks, the mindless mindless flesh-eating monsters. DEADLY DUCKLING is a tribute to the 1980s - when you had time to watch scary movies, stay up all night and rip your hair out, and push your thumbs right through the computer screen when the game crashed. You will become the hunted in a world where your body is the only proof to your identity, and it is the only one who can save you from being brought down. You are Markov, an ex-soldier in a world dominated by the Exoskeleton Corporation and their drones. Your body has been taken over by the

Yes, the idea is to be in the judgemental eye, but at the same time, you have no wish to impinge on your own emotional state while you do it, either. Luckily, I feel able to smile at the quirks of others. That's why I enjoy going to see a show and working out other people's characters. That's the test of theatre, I guess.
