The photographs are taken in the central part of Romania (Pitesti City) - the capital of Suceava County. The photos are captured from the slopes of the Eneiu Mountains as well as from the forested foothills of the Carpathians. You can choose any of the images from many cities in the world to show as your desktop wallpaper. You can use the same background images for a slideshow. Download Pitesti City - ScreenSaver Title: Eneiu National Park, Romania Photo: Copyright: This photo of Eneiu National Park Romania is one of 43 photos in a collection from that has been downloaded from this web site. Just click the "Get this photo" button below and you will be redirected to a web page where you can download your photo. If you have any question, or need any additional information, please do not hesitate to contact us.Q: iOS Web View callback when document is loaded I am using a web view to load a page within my app. Is there a callback or something that triggers when the document loads? My objective is to show some text as soon as the document has loaded. I have tried numerous events such as pageDidFinishLoad, DOMContentLoaded, readyState, load, loadstart and all are not triggers on the initial page load. A: You could use the delegate function. Please check the link below:
-(BOOL)webView:(UIWebView *)webView shouldStartLoadWithRequest:(NSURLRequest *)request navigationType:(UIWebViewNavigationType)navigationType{ if(!_webViewDelegate respondsToSelector:@selector(webView:shouldStartLoadWithRequest:navigationType:))){ return [_webViewDelegate webView:webView shouldStartLoadWithRequest:request navigationType:navigationType];
