Comments Anova Sep 16, 2015 Recording kept. Posting on Field Trip Today, The Thing I Love Most. Anova, Australia. Natalia Nov 15, 2014 I respect the man who has made extraordinary achievements and you can see that he is a great man and I will be happy if you would support him in whatever he is doing. I love his books because he is a true man. Gijs Sep 27, 2014 I was surfing today and I saw his site. I know that was quite a shock for you but I think you should support a great man and his uplifting messages. He is a man who has been there and done it. He can help so many people. Lorna May 20, 2014 If you believe that in the seven months since my husband died I have built a life that I can see will bring joy into the lives of many then you understand my commitment to him and all my experiences in building this life. We are truly living what we have. Ricardan May 17, 2014 His extraordinary books are written about important things and have helped many. I love his books because of his simple life and his invaluable advice. Ro Apr 05, 2014 Your page won't open properly. You might need to restart your browser. You can fix this by pressing ctrl+F5. Bremire Mar 09, 2014 amazingly on the first day of school his name was called out and he began to cry. He was so afraid. She said that his previous teachers called him by his first name. He was so excited to call his friends by their names. He taught himself how to write names. He said it was like a game. Thomas Mar 08, 2014 Of the men I have known who became fathers in their thirties. Ierome was the only one I ever knew to challenge his own genetic odds at so young an age. He was born in 1971. The other men were all my age or older. I suppose he is unusual because he is a hemophiliac. Yniver Feb 12, 2014 This is an excellent book. I am looking forward to reading it. I think this is the type of book which I enjoy reading. It is very inspiring and educational. I hope to
